## **MINISTRY OF THE FUTURE**

MOF: Champion of Dual Citizenship for Africans of the Diaspora. MOF: Made 'history' in Ghana 28<sup>th</sup> December, 2016 – First time 'ever' in Africa, MOF facilitated 34 Africans of the Diaspora to be Granted Ghanaian Citizenship, giving them: "RIGHT to RETURN"

### **TO WHO EVER THIS MAY CONCERN:**

**RE:** Effectively, February, 2018 - Ministry of the Future (MOF) is working in Partnership with the God Box Foundation Inc, USA, which is the vehicle that is responsible for bringing the religious and spiritual groups and individuals to Ghana, in 'The Year of Return'. Our Vision, Aim and Objective is to try and validate their spiritual journey; and, moreover, with the intent of lobbying government for the 'granting of dual citizenship', giving them "Right to Return."

Please know that MOF has created two international festivals, endorsed by the Ghana Tourism Authority, for the sole purpose of helping Africans of the Diaspora to integrate into the national grid of Ghanaian Traditional Festivals. These festivals serve a multi – facet purpose, such as showcasing the 'added value' Africans of the Diaspora financially inject into Ghana's yearly GDP. Also, these festivals will give the African Diaspora a 2 to 3 days exhibition – platform, to showcase their 'Economic, Technical and Educational' portfolios that can be tapped into by African governments, to assist in various African nations national development programmes.

Moreover, one of these festivals, 27<sup>th</sup> December (also can be done in August) "Right to Return - Atonement Healing Festival", at Assin Manso – 'African Diaspora Ancestral Burial Site.' This Burial Site is to be established as a 'Holy Pilgrimage Site' equal in its function to the Holy City of Jerusalem, for Christian pilgrims, or, equal in its function to the Holy City of Mecca, for Muslims. 28<sup>th</sup> December is "Right to Return Citizenship Festival"

Above all, with the help of the 'God Box Foundation' CEO - Mr Gilbert Kobina Bouhairie, MOF will take the lead in 'The Year of Return '2019', to lobby and assist desirous Africans of the Diaspora to be granted Ghanaian Citizenship/Dual Citizenship.

Thus, to this end, we welcome you back home to your Mother Land – Ghana – Africa.

Sincerely,

*Dr. Hamet Maulana*
